Farmingdale State College
State University of New York

UNIVERSITY IN THE HIGH SCHOOL

NACEP

Accredited by the National Alliance of Concurrent Enrollment Partnerships

EARN COLLEGE CREDITS, GAIN A HEAD START, AND OPEN DOORS TO YOUR FUTURE.

Farmingdale State College (FSC), the SUNY system's premier technology institution, seamlessly connects high school and college-level education. We are empowering students to excel in high school while pursuing college-level coursework.

Discover a World of Opportunity with FSC's UHS Program

- Earn college credits while still in high school.
- Learn from FSC-approved high school teachers.
- Build your official college transcript and GPA.
- Fast-track your college degree.
- Reduce college costs and the impact on financial aid.
- Transfer credits easily to many other colleges and universities.

Many high schools offer different types of programs in which students have the opportunity to earn college credit. Understanding the differences between them will allow you to choose the one(s) that will benefit you most. Our comprehensive UHS website at farmingdale.edu/uhs and UHS Student Handbook 2025-26 are excellent resources for this. You can also contact us directly at UHSoffice@farmingdale.edu if you have any more questions.

Quality Education and Proven Excellence

UHS has supported students across over 100 high schools and is the only 4-year school on Long Island with a prestigious National Alliance of Concurrent Enrollment Partnerships (NACEP) accreditation

The Impact of UHS Course Registration

It Is Your Path to an FSC Transcript and GPA.

Once you register for a UHS course, you start an official FSC transcript, and when the course is complete, you will have created a GPA. You are considered a non-matriculated student. Non-matriculated means that you have not yet been accepted into a degree program but are taking one or more courses with FSC.

Most colleges, including FSC, require students to take certain basic classes. These are called General Education or "Gen Ed" courses.

Many UHS classes count as Gen Eds. If a course is a Gen Ed, it will say so on the syllabus, in the FSC College Catalog, and on the UHS website. To learn how other colleges accept our course credits, we suggest contacting those institutions directly.

Enrolling in UHS – The Registration Process and Costs

- There are three UHS semesters: Fall, Year, and Spring. Make sure you register for the correct semester.
- Course credit fees are $70/credit. A typical course is three credits, which will cost $210 Some students may be eligible for a discount. See the UHS website for more information!
- You will receive registration information from your teacher(s).
- To be registered for FSC credit, you must submit your online registration and payment by the deadline(s).The UHS Office sets the deadline for registration, not your high school, so check our website and keep an eye out for any emails.
- Once you have applied, met any prerequisites (if needed) and paid, you'll be registered in the course.
